DESCRIPTION OF THE ISSUER

Issuer description

The Issuer is the parent company of the Vattenfall Group (the **Group**) and is a Swedish public limited liability company with registration number 556036-2138. It has its registered office (Sw. säte) at SE-169 92, Solna, Stockholm, Sweden and its head office at Evenemangsgatan 13, SE-169 79 Solna, Sweden. Its telephone number is +46 8 739 50 00 and its LEI code is 549300T5RZ1HA5HZ3109.

The Issuer is 100 per cent. owned by the Swedish state and its activities are conducted on a commercial basis with the Swedish state's involvement limited to the role of a shareholder.

Group vision and operations

The Group's vision is to be a dedicated partner to its customers and society at large, providing convenient and innovative energy solutions, while being a leader in sustainable production and ensuring a reliable and cost-efficient energy supply. The Group's ambition is to enable fossil-free living within one generation.

The Group's main markets are Sweden, Germany, the Netherlands, Denmark and the United Kingdom and its main products are electricity, heat and gas. In electricity and heat, the Group works in all parts of the value chain: generation, distribution and sales. In gas, the Group is active in sales and storage. The Group is also engaged in energy trading. As at 31 December 2018 the Group had approximately 20,000 full time equivalent employees.

Group governance

The Swedish Companies Act applies to the Issuer and requires that the company must have a board of directors that is elected by the owner at the Annual General Meeting (AGM). The Board, in turn, appoints the President and Chief Executive Officer, who is responsible for the day-to-day administration of the Issuer in accordance with the Board's guidelines and instructions.

Where applicable, the Issuer also adheres to the stock exchange rules that apply for companies that have fixed-income securities registered on Nasdaq Stockholm and rules that apply for other marketplaces in which the Issuer has securities registered. The Issuer applies the Swedish Code of Corporate Governance (the **Code**) and considers it as one of several important sets of governing systems for external reporting and communication. Any deviations from the Code are mainly due to the Issuer being wholly-owned by the Swedish state. The Code was written primarily for listed companies with broader ownership and accordingly certain stipulations of the Code are not applicable to or appropriate for the Issuer. The Issuer also adheres to the Swedish state's ownership policy.

The Issuer reports according to the Swedish Annual Accounts Act, IFRS and GRI 2016 reporting standards and other accounting rules.

Other debt issuance programmes and credit facilities

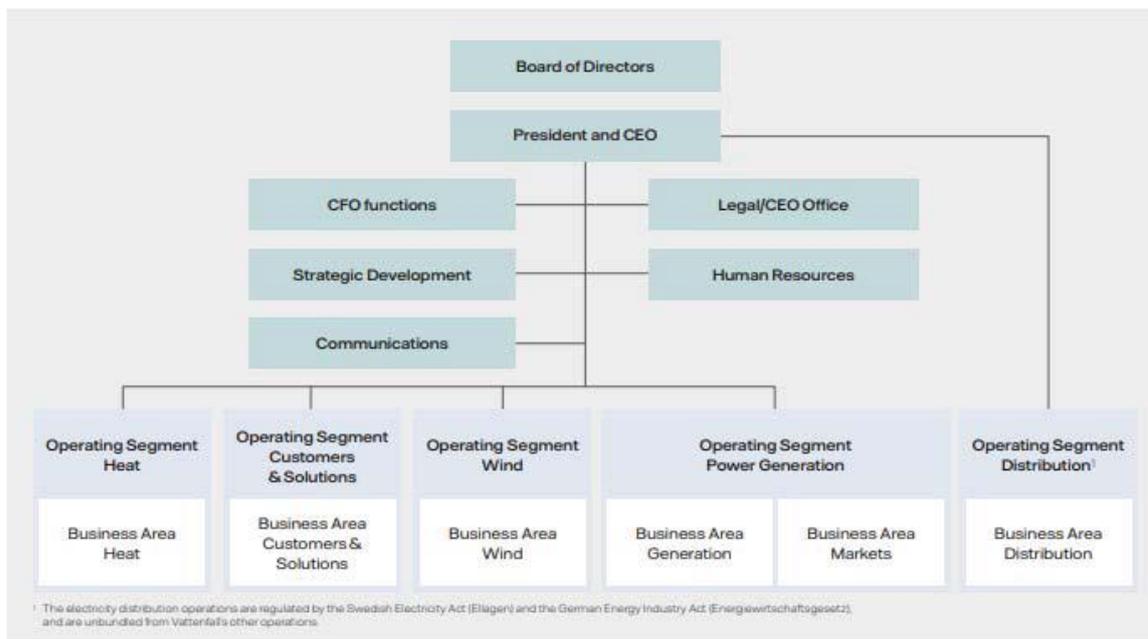

In addition to the Programme, the Issuer has established a EUR 10,000 million Euro Medium Term Note Programme and a SEK 15,000 million domestic Commercial Paper Programme. The Issuer intends to cancel the domestic Commercial Paper Programme during 2020.

On 19 March 2015 the Issuer issued certain SEK denominated floating rate subordinated hybrid securities, SEK denominated fixed rate subordinated hybrid securities and EUR denominated fixed rate subordinated hybrid capital securities and on 19 November 2015 the Issuer issued certain USD denominated fixed rate subordinated hybrid capital securities. The aggregate amount of indebtedness raised under the four issuances totals EUR 1,900 million (FX rates as of Q3 2019). Such hybrid bonds are reported as non-current liabilities.

The Issuer also has available to it a revolving credit facility (including a swing line facility) of EUR 2,000 million which matures in December 2021.

Organisation and business structure

The Group’s organisational structure as depicted by the structure chart below comprises of six business areas being “Heat”, “Wind”, “Customers & Solutions”, “Generation”, “Markets” and “Distribution”. The Group’s business areas are organised in five operating segments, where “Generation” and “Markets” make up a single operating segment.

Staff functions and shared service centres

A number of Group-wide staff functions support the Group’s business as well as the decision-making process of the EGM and CEO. The staff functions also govern relevant business processes in the Group as a whole. The staff functions are organised in a corporate centre which supports and directs the business activities and which is managed and co-ordinated centrally with employees located at both the management level and closer to the business.

Business operations

Operations are partly conducted through the subsidiaries of the Issuer and the Issuer is thus dependent on its subsidiaries to generate revenue and profit in order to be able to fulfil its payment obligations under the Notes.

The subsidiaries of the Issuer as at the date of this Information Memorandum are illustrated by the tables below.

- (a) by or on behalf of a Noteholder which is liable to such Taxes by reason of its having some connection with the jurisdiction imposing the Taxes other than the mere holding of this Global Note; or
 - (b) more than 15 days after the Maturity Date or, if applicable, the relevant Interest Payment Date or (in either case) the date on which payment hereof is duly provided for, whichever occurs later, except to the extent that the holder would have been entitled to such additional amounts if it had presented this Global Note on the last day of such period of 15 days.
4. If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the holder of this Global Note nor any Noteholder or any other holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Global Note:

Payment Business Day means any day other than a Saturday or Sunday which is either (a) if the above-mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (b) if the Specified Currency is euro, a day which is a TARGET Business Day; and

TARGET Business Day means a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer (TARGET2) System, which utilises a single shared platform and which was launched on 19 November 2007, or any successor thereto, is operating credit or transfer instructions in respect of payments in euro.

Provided that if the Issue and Paying Agent determines with the agreement of the Issuer that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Issue and Paying Agent shall procure that a notice of such amendment is published in accordance with paragraph 11(f) not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Issue and Paying Agent may determine.

5. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated obligations of the Issuer other than obligations mandatorily preferred by law applying to companies generally.
6. This Global Note is a negotiable promissory note (Sw. *löpande skuldebrev*) and, title hereto shall pass by delivery and the holder shall be treated as being absolutely entitled to receive payment upon

due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.

7. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):
- (a) if one or both of Euroclear and Clearstream, Luxembourg or any other relevant clearing system(s) in which this Global Note is held at the relevant time is closed for business for a continuous period of 14 days or more (other than by reason of weekends or public holidays, statutory or otherwise) or if any such clearing system announces an intention to, or does in fact, permanently cease to do business; or
 - (b) if default is made in the payment of any amount payable in respect of this Global Note.

Upon presentation and surrender of this Global Note during normal business hours to the Issuer at the offices of the Issue and Paying Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the holder), the Issue and Paying Agent shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

8. If, for any actual or alleged reason that would not have been applicable had there been no exchange of this Global Note or in any other circumstances whatsoever, the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any bearer definitive notes, then any right or remedy relating in any way to the obligation(s) in question may be exercised or pursued on the basis of this Global Note despite its stated cancellation after its exchange in full, as an alternative, or in addition, to the definitive notes. With this exception, upon exchange in full and cancellation of this Global Note for definitive notes, this Global Note shall become void.
9. If this is an interest bearing Global Note, then:
- (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the Maturity Date remains unpaid on the fifteenth day after falling so due, the Nominal Amount shall be payable on such fifteenth day;
 - (b) upon each payment of interest (if any) prior to the Maturity Date in respect of this Global Note, the Schedule hereto shall be duly completed by the Issue and Paying Agent to reflect such payment;
 - (c) payments due in respect of Notes for the time being represented by this Global Note shall be made to the holder of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof; and
 - (d) if no Interest Payment Dates are specified on this Global Note, the Interest Payment Date shall be the Maturity Date.
10. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest

Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and

- (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an **Interest Period** for the purposes of this paragraph.

11. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:

- (a) in the case of a Global Note which specifies LIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of LIBOR and the Margin (if any) above or below LIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days.

As used in this Global Note:

LIBOR shall be equal to the rate defined as LIBOR-BBA in respect of the Specified Currency (as defined in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc., as amended, updated or replaced as at the date of this Global Note (the **ISDA Definitions**)) as at 11.00 a.m. (London time) or as near thereto as practicable on the second London Banking Day before the first day of the relevant Interest Period or, if this Global Note is denominated in Sterling, on the first day thereof (a **LIBOR Interest Determination Date**), as if the Reset Date (as defined in the ISDA Definitions) was the first day of such Interest Period and the Designated Maturity (as defined in the ISDA Definitions) was the number of months specified on the face of this Global Note in relation to the Reference Rate; and

London Banking Day shall mean a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London;

- (b) in the case of a Global Note which specifies EURIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of EURIBOR and the Margin (if any) above or below EURIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days.

As used in this Global Note:

EURIBOR shall be equal to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions) as at 11.00 a.m. (Brussels time) or as near thereto as practicable on the second TARGET Business Day before the first day of the relevant Interest Period (a **EURIBOR Interest Determination Date**), as if the Reset Date (as defined in the ISDA Definitions) was the first day of such Interest Period and the Designated Maturity (as defined in the ISDA Definitions) was the number of months specified on the face of this Global Note in relation to the Reference Rate;

- (c) in the case of a Global Note which specifies any other Reference Rate on its face, the Rate of Interest will be the aggregate of such Reference Rate and the Margin (if any) above or below such Reference Rate. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the Day Count Fraction specified hereon. As used in this Global Note, the Reference Rate shall be equal to the Reference Rate which appears on the relevant Screen Page as at the Relevant Time on the Interest Determination Date as each such term is specified hereon;
 - (d) the Calculation Agent will, as soon as practicable after 11.00 a.m. (London time) on each LIBOR Interest Determination Date or 11.00 a.m. (Brussels time) on each EURIBOR Interest Determination Date or at the Relevant Time on each other specified Interest Determination Date (as the case may be), determine the Rate of Interest and calculate the amount of interest payable (the **Amount of Interest**) for the relevant Interest Period. **Rate of Interest** means the rate which is determined in accordance with the provisions of paragraph 11(a), (b) or (c) (as the case may be). The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the actual number of days in the Interest Period concerned divided by 360 or, if this Global Note is denominated in Sterling, by 365 or the relevant Day Count Fraction and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards). The determination of the Rate of Interest and the Amount of Interest by the Calculation Agent named above shall (in the absence of manifest error) be final and binding upon all parties;

14. Any Noteholder which holds Notes which are represented by this Global Note may in any proceedings against the Issuer, or to which such Noteholder and the Issuer are parties, protect and enforce in its own name its rights arising under or in connection with such Notes on the basis of (i) a statement issued by the Custodian with whom such Noteholder maintains a securities account in respect of the Notes (A) stating the full name and address of the Noteholder, (B) specifying the aggregate nominal amount of Notes credited to such securities account on the date of such statement and (C) confirming that the Custodian has given written notice to Euroclear or Clearstream, Luxembourg as the case may be containing the information pursuant to paragraphs (A) and (B) above, and (ii) a copy of this Global Note certified as being a true copy by the Issuing and Paying Agent or the common depositary for the Notes, without the need for production in such proceedings of the actual records or this Global Note representing the Notes.

For the purposes of this paragraph 14, **Custodian** means any bank or other financial institution of recognised standing authorised to engage in securities custody business with which a Noteholder, directly or indirectly, maintains a securities account in respect of the Notes and includes Euroclear or Clearstream, Luxembourg.

15. This Global Note shall not be validly issued unless manually authenticated by the Issue and Paying Agent.

16. This Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with Swedish law.

17. The Courts of the Kingdom of Sweden are to have jurisdiction to settle any disputes that may arise out of or in connection with this Global Note and accordingly any legal action or proceedings arising out of or in connection with this Global Note may be brought in such courts. The City Court of Stockholm (Sw. *Stockholms tingsrätt*) shall be the court of first instance.
