

Edinbane Wind Farm Community Benefit Fund

Running for over a decade on the Isle of Skye, the fund has distributed well over £1.3 million to local communities.

Managed by two local groups, Edinbane and Communities Company and the Struan Community Trust, the fund has supported a wealth of different projects including those that:

- Improve local facilities,
- To improve tourism, recreation and play opportunities,
- To support local businesses and individuals to access apprenticeships and training opportunities to strengthen the local economy.
 - Contributions to local cultural and social activities
 - Contributions to support local institutions - Community Halls and PTA
- Maintenance, upgrades and developments of local infrastructure -war memorials, cemeteries, footpaths, cycleways etc
