The diagram shows a 3D wireframe landscape with green and blue tree icons. A legend at the top lists 19 numbers, each with a corresponding line style: a solid vertical line for 16, 10, 7, 3, 12, 9, 19, and 18; a line with a rightward bend for 8, 4, 15, 11, 14, 17, 13, and 5; and a line with a leftward bend for 10, 7, 3, 12, 9, 19, and 18. The landscape features a series of rolling hills and valleys, with green trees on the left and blue trees on the right.
