REGULATIONS 2017**

ELECTRICITY (APPLICATIONS FOR CONSENT) REGULATIONS 1990

Notice is hereby given that Vattenfall Wind Power Ltd, (company registration number 06205750 registered address Vattenfall, 5th Floor, 70 St Mary Axe, London, EC3A 8BE) has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm generating station with an installed generating capacity in excess of 50MW to be known as Quantans Hill on land approximately 2 km east of Carsphairn in Dumfries & Galloway (Central Grid Reference 259700, 595250). The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced which assesses development parameters of up to 14 turbines with a ground to blade tip height of up to 200 metres.

Vattenfall Wind Power Ltd has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, are available for public inspection in person, free of charge, during normal office hours at:

Location Name	Address
Dumfries and Galloway Council Dumfries	Dumfries and Galloway Council English Street Dumfries DG1 2DD

and is also available at the following locations, during the opening hours of those facilities:

Location Name	Address
Carsphairn Village Hall Carsphairn	Lagwyne Hall On A713 Carsphairn DG7 3TQ

The EIA Report can also be viewed on the application website at <https://group.vattenfall.com/uk/what-we-do/our-projects/south-west-scotland/quantans-hill-wind-farm> or at www.energyconsents.scot.

Copies of the EIA Report may be obtained from Vattenfall Wind Power Ltd (telephone: +44 (0)7817 018 310) at a charge of £1,200 hard copy and £15 on CD/DVD or USB. Copies of a short non-technical summary are available free of charge.

Any representations to the application may be submitted via the Scottish Government Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than 31.03.2023, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
